Hon. Commissioner of Pensions,

Sir:

Referring to issue of the 20" ult. in connection with the pension claim of Desire Wery Co. H 34" Regt. Wis. Vols. Inft. Ctf. # 1,125,654, in which pension is allowed at \$12. per month from June 13, 1906 we have the honor to request that a reissue be made in this case to allow pension at \$10. per month from March 12, 1906, as under order No. 78 claimant is clearly entitled to a rating from that date, and if it is conceded that he was at least 68 years of age on that date, he should certainly be entitled to pension at the rate of \$10. per month from said date.

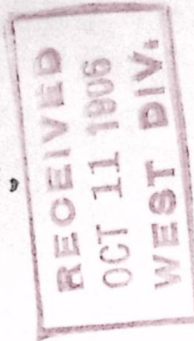

Upon receipt of the Bureau letter of May 28, 1906 suggesting that claimant file a new declaration, we on June 11 called the attention of the Bureau to this matter, and stated that claimant was entitled to a pension of \$10. per month from date of filing the application March 12, 1906.

It would most certainly be manifestly improper for claimant to abandon his rights under said application, when it is clearly evident that he was entitled to a rating from date of filing such application.

The filing of the declaration June 13, 1906 cannot be construed as a waiver of his equitable rights under the prior claim.

Very respectfully,
